1 · Company Overview

Founded in 2019, Yangjiang Haoyi Sales Technology Co., Ltd. (brand: **PizzaScoopPro**) is an industry & trade integrated enterprise located in Yangjiang City, Guangdong Province — the renowned “Kitchenware Capital of China”. With over seven years of dedicated experience, we focus on the production and global sales of kitchen and baking tools, operating both domestic and international e-commerce channels alongside physical sales.

Our slogan — “**High Quality, Excellent Service**” — drives every batch we produce. From raw material selection to final inspection, we maintain strict quality control so our partners can source with confidence.

4 · Manufacturing & Quality

Materials we work with:

- **304 & 430 stainless steel** — food-grade, corrosion resistant.
- **High-carbon steel** — for durable blades and cutters.
- **Natural beechwood** — for handles and classic tools.
- All materials meet **FDA** and **LFGB** food-safety standards.

Quality & compliance:

- Certified to **ISO 9001** quality-management system.
- **BSCI**-audited social compliance for responsible manufacturing.
- Every batch undergoes strict in-house inspection before shipment.

5 · OEM / ODM Customization

We offer full OEM and ODM services to build your own brand:

- **Logo & engraving** — laser, etching or printing on request.
- **Packaging** — custom boxes, labels and barcodes.
- **Materials & finishes** — steel grade, wood type, coating.
- **New designs** — develop entirely new products from your specs.

6 · Global Reach & Logistics

We serve wholesalers, retail chains and importers across **North America, Europe and the Middle East**, with an efficient logistics network.

- **MOQ:** 100 units per SKU (lower MOQ negotiable for trial orders).
- **Lead time:** samples ship in 3–5 days; bulk orders in 15–25 days.
- **Shipping:** DHL, FedEx and sea freight via trusted partners.
- **Payment:** T/T, L/C, PayPal, Western Union — typically 30% deposit + 70% balance.
